WORKING GROUPS

The screenshot shows the 'Working groups' page on the living-in.eu website. The page features a navigation bar with 'THE DECLARATION', 'WORKING GROUPS', 'SOLUTIONS', 'EVENTS', and 'NEWS'. Below the navigation is a large banner image of people sitting on steps. The main heading is 'Working groups' with a sub-link '+ Home + Groups'. There are five categories of working groups, each with an icon and a brief description:

- Technical**: The technical group of living-in.eu works together to develop a common list of standards and technical specifications to achieve interoperability of data, systems, and platforms among cities an...
- Education & Capacity Building**: Empowering public authorities to innovate via education and capacity building, is crucial in the concept of Living-in-EU. We equip public officers with the skills and methodologies necesar...
- Monitoring & Measuring**: This group helps develop and implement a framework, built on existing methodologies, to measure and monitor the benefits for citizens, public authorities, businesses and other stakeholders a...
- Financial**: contribute on a voluntary basis to a joint investment plan to adopt and implement common existing digital solutions on a large scale in the EU; optimise synergies between EU, national,...
- Legal**: Remove obstacles to the digitization of already existing public intersectoral and cross-border services in the Union. Enable brand new, original public intersectoral and cross-border services, whi...

The screenshot shows the 'Events' page on the living-in.eu website. The page features a navigation bar with 'HOME', 'THE DECLARATION', 'WORKING GROUPS', 'SOLUTIONS', 'EVENTS', and 'NEWS'. Below the navigation is a large banner image of people sitting on steps. The main heading is 'Events' with sub-links 'UPCOMING EVENTS' and 'PAST EVENTS'. The page lists several events:

- NOV 2022**: Workshops 56 for Smart Communities Capacity Building Sessions. The 56 for Smart Communities (SSGC) Platform, together with the European Commission, are organising a series of SSGC Capacity Building Sessions.
- DECEMBER 2022**: Online event: Living-in.EU Stakeholder Forum. The Living in.EU Stakeholder Forum will be held on 4 December 2022 at 13:15 CET. The meeting focuses on Co-creation of the technical specifications; Digital Tools, Projects, and Future Steps. The meeting invites...
- 12 Dec**: Digital Europe Programme NEW Call: Info Day & Pitching Event. On 12 December 2023, the European Commission will present the fifth round of Digital Europe Programme call for proposal in a dedicated Info Day and Pitching Event.
- 13 Dec**: Online event: Monitoring and measuring Subgroup meeting #4 - Contribute to the 2024 Work Plan. The Monitoring and measuring subgroup of Living-in.EU is organising a fourth meeting in 2023 on Wednesday 12 December 2023, from 10:30 to 12:00 (CET). This event will be held online only. This meeting will be limited to Living...
- 12 Dec**: Online event: Testing & Experimenting Trustworthy AI Facilities.
